Terms of Business

The placing of any orders with Lane's Landscape Contractors constitutes acceptance by the buyer of the following:

(A) Contractual

1. Quotations

All prices are quoted excluding VAT. Where applicable this will be applied at the rate prevailing at the date of invoice when rendered. Quotations remain valid for one month from the date unless otherwise agreed in writing.

2. Payment

Payment for all goods invoiced is due nett no later than 30 days from the date of invoice. If after the due date any amount due shall remain unpaid, we reserve the right, having informed the buyer, to charge interest on the principal sum due at 3% above the HSBC base rate for the time being force.

3. Retention of Title

The risk in the goods passes to the buyer upon delivery but title to the goods shall remain vested in the seller until full payment has been received.

(B) General

- a. Every endeavour is made to ensure that materials and plants are delivered in good condition. In common with all reputable landscape contractors and nursery men we do not guarantee our stock as so many factors, particularly adverse weather conditions and in some cases, after care, are completely outside of our control.
- b. Delivery and completion dates quoted by us or included in the contract are given in good faith but are estimates only and without engagement. Notwithstanding this we shall always endeavour to meet the client's delivery or completion requirements subject to stock availability and suitable weather conditions. Plants and turf are living materials and as such, are perishable. Once delivered to site they must be used as soon as possible to avoid their deterioration. The client will assume risk once goods are ordered.
